

1 following his election, shall be able forthwith to appoint
2 at least one-half of the Members.

3 In your Section 4.20 there is no reference to
4 that. I would assume by that that the Governor could appoint
5 all of them.

6 DELEGATE CLARK. Delegate Boyce.

7 DELEGATE BOYCE: No, I don't believe so, Delegate
8 Raley, because this was a problem of context again. I say
9 that one of the purposes is to make sure that every depart-
10 ment is headed by a single executive, so once you make the
11 principal departments headed by a single executive, then you
12 do not need the worry of the board and we were doing our best
13 to keep the problem with the educational set up exactly the
14 same way it is. There was no intent there for the Governor--
15 and I don't think you would find it possible for the
16 Governor to change the situation as it has been in the past.

17 DELEGATE CLARK: Delegate Raley.

18 DELEGATE RALEY: Delegate Boyce, but aren't you
19 in your section reducing the flexibility although I know
20 we don't like to have boards, but you might need to have
21 boards and aren't you in your section reducing the flexibility
